IMPORTANT INFORMATION

- Government funding covers childcare hours only.
- Meals, consumables and enhanced experiences are charged separately.
- Families may choose alternative options where applicable.
- Attendance patterns can be adjusted to suit family requirements.

WHY STRETCH FUNDING?

Stretched funding allows families to spread funded hours over more weeks of the year, helping reduce weekly costs and provide consistent attendance.

EXAMPLE:

30 funded hours over 38 weeks becomes approximately 22 funded hours per week over 50 weeks.
